

## Check-in from anywhere

No more paperwork!

### No Hassle.

With Epion Digital Check-In, you can check in for your appointment on any web-enabled smartphone, tablet or computer.

The process starts with a simple text message or email with a secure link.

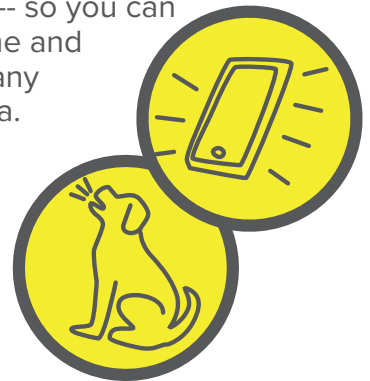

- NO DOWNLOAD
- NO ID
- NO PASSWORD

### Interrupted? No Problem!

As you complete steps, your information is automatically saved -- so you can pick back up at any time and won't have to reenter any previously entered data.

Whatever you don't complete before your appointment, you can complete in the office using one of the Epion iPads!

### Just Follow the Simple Steps

Once you are authenticated (using your birthday and zip code), Epion will guide you through all of the steps you need to complete, including ...

- ✓ Contact information
- ✓ Demographics
- ✓ Medical History
- ✓ Medications
- ✓ Insurance Information
- ✓ Current health status

All of your entered information is automatically and securely uploaded to your provider's HIPAA-compliant patient record system.
